Our latest project is providing our incredible students at Rays of Grace Academy with brand new uniforms. These uniforms are what our kids wear to school everyday ultimately providing them with unity and pride in what they are accomplishing together. With these hand-made uniforms, they are made for kids on the move and are made to last the entire school year. We hope you consider helping us achieve this incredible goal.

**400 Rays of Grace Academy Uniforms = \$7,700 (\$19.25 per uniform)**

# FOR ONLY \$19.25
